### Technical data:

|                                                       |   |                             |
|-------------------------------------------------------|---|-----------------------------|
| type of voltage                                       |   | AC                          |
| Type of mounting                                      |   | modular installation device |
| Bus system / usable / RF bus system                   |   | No                          |
| Bus system / usable / Powernet bus system             |   | No                          |
| Bus system / usable / LON bus system                  |   | No                          |
| Number of pitch units for width                       |   | 4                           |
| Number of inputs                                      |   | 0                           |
| Number of digital outputs / for shutter/blind control |   | 4                           |
| Breaking capacity current                             | A | 6                           |
| Product function / direct operation                   |   | Yes                         |
| Product component                                     |   |                             |
| • Signaling contact                                   |   | Yes                         |
| • integrated / Bus coupling                           |   | Yes                         |
| Type of display / LED                                 |   | Yes                         |
| Bus system / can be used / EIB/KNX                    |   | Yes                         |
| Protection class IP                                   |   | IP20                        |
